Jobmate Keyboard is designed for maximum comfort and flexibility. Thin and user-friendly keyboard in full size. The sensitive keys are ergonomic and respond immediately which makes it easier to write for long periods. Black background colour and white lettering which provides a clear contrast and good visual ergonomics to reduce eye strain.

For even better ergonomics, get the whole Jobmate series.

**Jobmate and Jobmate Wrist Support, wide**, provides an even better support for the wrists and relieves strain on the neck, shoulders and arms. The wrist support is soft and comfortable to move your hands over.

**Jobmate Arm Rest** relieves the entire forearm and prevents symptoms such as mouse arm, stiffness or discomfort. The asymmetrical design provides an extra support. The arm rest attaches to your desk and fits both straight and angled desktops.
